Edip Yuksel vs. Ali Sina Round 5 Part 14

Edip Yuksel vs. Ali Sina

Round V

To the Power of 666!
Edip Yuksel, 19.org

If Muslims are Terrorists, then Jews and Christians are Terrorists to the Power of 666!
The Diabolic Coalition Exposed: Evilgelical Crusaders, Fascist Zionists, and Fanatic Hislamics Are Following Six Steps to Discredit the Quran

The verse 9:5 does not encourage Muslims to attack those who associate partners to God, but to attack those who have violated the peace treaty and killed and terrorized people because of their belief and way of life. The Quran does not promote war; but encourages us to stand against aggressors on the side of peace and justice. War is permitted only for self-defense (See: 2:190,192,193,256; 4:91; 5:32; 60:8-9). We are encouraged to work hard to establish peace (47:35; 8:56-61; 2:208). The Quranic precept promoting peace and justice is so fundamental that peace treaty with the enemy is preferred to religious ties (8:72).

The verse 9:29 is mistranslated by almost every translator. The correct translation of it should be:

"You shall fight (back) against those who do not believe in God, nor in the last day, and they do not prohibit what God and His messenger have prohibited, and do not abide by the system of truth among those who received the scripture, until they pay the COMPANSATION, in humility."

You have noticed that I inserted a parenthesis since the context of the verse is about the War of Hunain, and fighting is allowed for only self defense. See: 2:190-193, 256; 4:91; and 60:8-9.

Furthermore, note that I suggest COMPENSATION instead of Arabic word Jizya. The meaning of Jizya has been distorted as a perpetual tax on non-Muslims, which was invented long after Muhammad to further the imperialistic agenda of Sultans or Kings. The origin of the word that I translated as Compensation is JaZaYa, which simply means compensation, not tax. Because of their aggression and initiation of a war against muslims and their allies, after the war, the allied community should require their enemies to compensate for the damage they inflicted on the peaceful community. Various derivatives of this word are used in the Quran frequently, and they are translated as COMPANSATION for a particular deed.

Unfortunately, the distortion in the meaning of the verse above and the practice of collecting a special tax from Christians and Jews, contradict the basic principle of the Quran that there should not be compulsion in religion and there should be freedom of belief and expression (2:256; 4:90; 10:99; 18:29; 88:21,22). Since taxation based on religion creates financial duress on people to convert to the previliged religion, it violates this important Quranic principle. Dividing a population that united under a social contract (constitution) into previliged groups based on their religion contradicts many principles of the Quran, including justice, peace, and brotherhood/sisterhood of all humanity.

Some uninformed critics or bigoted enemies of the Quran list verses of the Quran dealing with wars and declare islam to be a religion of violence. Their favorite verses are: 2:191; 3:28; 3:85; 5:10,34; 9:5; 9:28-29; 9:123; 14:17; 22:9; 25: 52; 47:4 and 66:9. In this article, I refuted their argument against 9:29, and I will discuss each of them later.

Some followers of Sunni or Shiite religions, together with their like-minded modern Crusaders, abuse 9:5 or 9:29 by taking them out of their immediate and Quranic context. Sunnis and Shiites follow many stories and instructions falsely attributed to Muhammad that justify terror and aggression. For instance, in a so-called authentic (or authentically fabricated) hadith, after arresting the murderers of his shepherd, the prophet and his companions cut their arms and legs off, gauge their eyes with hot nails and leave them dying from thirst in the dessert, a contradiction to the portrayal of Muhammad's mission in the Quran (21:107; 3:159). In another authentically fabricated hadith, the prophet is claimed to send a gang during night to secretly kill a female poet who criticized him in her poetry, a violation of the teaching of the Quran! (2:256; 4:140; 10:99; 18:29; 88:21-22). Despite these un-Quranic teachings, the aggressive elements among Sunni or Shiite population have almost always been a minority.

Six Diabolic Steps to Distort and Discredit

The following six steps are cleverly utilized over and over by the enemies of islam, including Christian missionaries, to discredit the Quran. For the 3rd and 4th steps they find great ammunition inside the volumes of hadith and sectarian jurisprudence books. (No wonder they like those books very much). For the 5th and 6th steps they find many allies among Sunni or Shiite versions of Hislamics who are extremely intoxicated by those anti-islamic sectarian teachings. Here are the repeated sixes:

(1) Ignore the fact that the Quran is a self-sufficient, self-explaining and detailed book, and destroy its semantic network by deliberately disconnecting its verses. Take a portion of the Quran and ignore all other verses that explain, supplement or bring limitation to that verse. If this is not enough to make it ugly or scary, then;

(2) Reduce your reference to a smaller portion; take a Quranic verse or part of it out of its immediate context. If this is not enough to make it ugly or scary, then;

(3) Twist the meaning of some words. You may even find a sectarian book or a website that has done that before you. If this is not enough to make it ugly or scary, then;

(4) Refer to the mishmash collection of fabrications called hadith and sunnah; there you will find a treasury of trash to stink an entire city. Claim that the Quran is useless and unintelligible without these sources. Some Hislamic people will be confused by your love of those "holy" teachings! That is a good sign. If you cannot convince, you must confuse… But, your goal is to convert as many as possible. So, find as much as garbage out of the Hislamic sources and introduce it as Islamic. If this is not enough to make it ugly or scary, then;

(5) Pick some examples of Sunni or Shiite idiots or terrorists, from among more than a billion Muslims, and generalize it to all Muslims. Especially, choose your examples from traumatized populations that have been abused and oppressed under the occupation of

USA, UK, Israel, or Russia, or under the tyranny of a puppet dictator supported by one of these nations. While doing this, you must entirely ignore all the wars, destructions, massacres, tortures, and terrorist acts committed by the Judeo-Christian forces. If this is not enough to make it ugly or scary, then;

(6) Exchange words of hatred and bigotry with some intoxicated Sunni or Shiite Hislamics. Then go to your church, sing songs about love and Jesus, and do not forget asking forgiveness for your sins. You will start your next day clean and ready to commit more sins. Your Hislamic partner (!) will be waiting for you since they do not have confession sessions. If this is not enough to make it ugly and scary, then you have picked a very wrong verse. Choose another verse from the Quran, and go back and start from step one!

Let's apply it to the Bible: "Jesus and His Disciples were a warmongering gang!"

Almost any big size book can be discredited by this dishonest and deceitful method; any book! By following these steps, I could easily depict Jesus, one of the messengers of peace (islam), as a divider and a trouble maker, rather than a peacemaker. Let's take one example from Bible:

Quote:
"Suppose ye that I am come to give peace on earth? I tell you, Nay; but rather division: For from henceforth there shall be five in one house divided, three against two, and two against three. The father shall be divided against the son, and the son against the father; the mother against the daughter, and the daughter against the mother; the mother in law against her daughter in law, and the daughter in law against her mother in law." Lu 12:51-53

"Think not that I am come to send peace on earth: I came not to send peace, but a sword." Matthew 10:34|

By using the Evilgelical's own methodology of treating the Quran, I came up with a peace-hating, anti-family, troublemaker called Jesus! All I did was to take the verse out of its context. I did not even resort to twisting its words or adding some trash from secondary sources, or giving some examples from crusades, inquisitions, slavery, or irritate and provoke some crazy people among Evilgelical Crusaders.

By using the first two of the six steps, I could claim that the disciple of Jesus were, in fact, a dangerous gang who were planning to shed blood in that peaceful region. They were savages who cut the ears of their opponents:

Quote:

|And, behold, one of them which were with Jesus stretched out his hand, and drew his sword, and struck a servant of the high priest's, and smote off his ear. (Mt 26:51. Also see: Mark 14:47 ; Lu 22:50; John 18:10)|

I could depict Jesus and his disciples as a gang of blood-thirsty troublemakers, by adding verses justifying violence, blood-shed, massacres and tortures from the Old Testament, which was heavily relied by Jesus and his supporters for their mission. I could even reasonably speculate that Jesus and his few followers were planning a huge massacre in the region, but the Roman Empire stopped them before the cult reached to a dangerous number (Luke 21:24);. Knowing that they were provoked prematurely, Jesus reminded Peter:

Quote:
"Then said Jesus unto him, Put up again thy sword into his place: for all they that take the sword shall perish with the sword." (Mt 26:51).

I could reasonably ask a Christian who claims his religion to be the religion of peace: "You will agree that this event happened in the last days of Jesus. Why then did Jesus never tell his disciples not to carry SWORDS before one of them cut off the ear of the servant of the high priest? Or, do you want us to believe that Peter, who was putting his life at risk by trying to defend Jesus did not give a hoot to the instruction of his leader? Was Peter carrying the sword to peel cucumbers? Obviously, Jesus had seen that his disciple(s) were carrying swords and he did not mind. However, here he knew that tactically using sword would not save them from the Roman army and it would be a futile and premature fight." Perhaps, my argument to depict Jesus as another potential Samson who killed a thousand men with the jaw of an ass (Jg 15:16) would receive cheers from the enemies of Jesus.

To depict Jesus as a rebel who planned a bloody revolution, I could cite Mt 21:12; Mr 11:15; Jo 2:19 and claim that he attacked the temple and destroyed its properties. I might have even continued the attack by quoting him:

Quote:
"But those mine enemies, which would not that I should reign over them, bring hither, and slay them before me." (Lu 19:27). Then said he unto them, But now, he that hath a purse, let him take it, and likewise his scrip: and he that hath no sword, let him sell his garment, and buy one. (Luke 22:36)

However, if I had done this it would be unfair to the teaching of Jesus, one of the messengers of islam (peace and submission to God), delivered by the New Testament. It would be unfair because I would be taking them out of their context. Without even mixing them with the verses of the Old Testament that usually published in the same volume and frequently referred by the New Testament.

Modern Crusaders, Allied with Big Corporations are Orchastrating a Deceptive Propaganda and Misinformation Campaign to Promote their Bloody Cause to Colonize New Lands and Convert More People

Modern Crusaders distort verses of the Quran, exaggerate the deeds of terrorists and even attribute some events motivated by nationalism or other motives to islam. Their propaganda machine never referred to the Serbs as Christian Rapists and Christian Terrorists. Their propaganda machine never referred to the torturer and murderer Zionist occupying forces as Jewish Terrorists, or Jewish Murderers. Their propaganda machine never acknowledge the Christian faith and zeal behind Nazi crimes. But, they frequently associated any act of terrorism to Islam and Muslims. Furthermore, they cleverly managed to depict the freedom seeking victims of brutal occupying forces as agrressors in conflicts such as Chechenya, or Palestine.

They try to depict islam as a violent religion, thereby seeking to justify their own terror, massacres, pre-emptive wars, which are cunningly promoted in a euphemistic language through their propaganda machines. They don't kill and terrorize civilians; they just produce collateral damage and they just perform colorful shows of "shock and awe." They do not torture prisoners; they either interrogate them or turn them to anecdotals. They do not destroy cities; they do surgical and smart operations. They do not occupy others' lands; they liberate them. They do not take revenge; they take justice to their enemies. Thus, media is cleverly used to hypnotize masses and get their support for neo-colonialism. The ruling class in democracies use media to "manifacture concent." In order to plunder the resources of other countries, greedy corporations and their unholy allies replace one dictator after another, create wars and conflicts, undertake covert operations, and if they are bored, they play liberation games for fun and profit, big profit.

Crusaders have directly participated or supported many atrocities and wars in the last millennium; they have killed many more innocent people than their counterpart Sunny or Shiite warmongers. Inquisition, crusades, witch-hunt, World War I and II, holocaust, Hiroshima, Nagasaki, Phillipines, Korea, Vietnam, Nikaragua, Arjantine, Iraq are just few words in the long list of wars and massacres that are committed or supported by those who call themselves Christians. Nazis used the traditional Christian hatred of Jews as fuel and a twisted Cross (swastika) as the symbol for their racist ambitions. The list of British and American wars, occupations, massacres, slavery, covert operations that were conducted with the approval and support of the Christian church or masses is too long and too gruesome. You can still find many Christians justifying the biggest terrorist attack in the history, the destruction of two big cities with their hundreds of thousands civil population, as a retaliation to the Japanese attack to an American military base. American government has not apologized humanity for this horrific and cowardly act of terror. The mentality of these Crusaders is no different than those of al-Qaida militants who justified the destruction of the World Trade Center as retaliation to the American support for the Israeli's racist policy of occupation, massacres and terror in Palestine.

Evilgelical Christians or Modern Crusaders Use Proxies for their Bloody Cause

Evilgelicalism is a growing radical movement in Christendom, officially known as Evangelical Christians. They are also known as Left-behind Rapture Freaks. Here, we will refer them by mutating several letters in their name so that their name will fit their deeds: Evilgelicals. Yes, Evilgelicals have recently mobilized all their sources to launch a campaign against the Quran in order to convert Muhammad-worshipers to Jesus-worshipers. Though there won't be much difference, since both populations are like identical twins, but the plan is to start a new era of colonialism and slavery through holy Trojan horses.

Bishop Desmond Tutu, the South African civil right leader, once articulated the method of colonialist Evilgelicals in nutshell: “When the missionaries came to Africa, they had the Bible and we had the land. They said: "Let us pray." We closed our eyes. When we opened them we had the Bible and they had the land.”

But, Crusaders are no more relying on prayers or the closed eyes of their victims to grab their lands. Many people nowadays are no more closing their eyes while praying, especially when there is a priest around. Since public learned that some priests grab other things besides lands, there is more reluctance to close eyes. So, the priests and their followers have mutated since last century and have transformed to modern Evangelicals.

This new strand of crusaders use all kinds of media for propaganda, combining their mesmerizing effect with the devastating impact of smart and dumb bombs and modern weapons. They call themselves pro-lifers, but they are always for increase in military budgets, they chant "God bless America" whenever USA-Inc invades a country and kills tens of thousands of its population, and they are more likely support capital punishment. Though they claim that "it is easier for a camel to go through the eye of a needle, than for a rich man to enter into the kingdom of God" (Mt 19:24; Mr 10:25; Lu 18:25), in reality they support policies that make rich richer and poor poorer

They no more adhere the highest ethical standars thought by Jesus. To the contrary, for centuries they made a travesty out of it. Before they suck the blood of their victims, they no more use the pain-reducing and sleep-inducing formulas, such as, "right-cheek, left-cheek" or "coat after cloke" (Mt 5:39; Lu 6:29). They claim to bring peace and liberty to barbarians by invading their lands through proxy fighters, such as the armies of corporate-nations. While barbarians terrorize, they do awing and shocking. They destroy their homes, smack their heads, kill their children, torture, rape, and sodomize those they have captured. They further justify their method by comparing their action to the ones committed by the "few thugs" who were ironically their former allies in their preivous operations, and they look adamant to outdo those barbarians in the acts of shedding blood and inflicting pain.

Repeating the Old Habits

In the lands they occupy they kill 666 times more innocent people than their counterpart Hislamic barbarians. They excuse themselves by babtising those dead and mutilated bodies with the holy word "collatoral damage." If one of them or an innocent person is beheaded by Hislamic radicals by sword, they complain from barbaric nature of this and

go on killing spree and shatter their heads together with the heads of many collatoral lambs.

Evangelical Christians have last year got a great doze of virtual blood and passion by watching several hours of brutal beating of their idol on the screens. While their mouth uttered peace songs, they dreamed blood and more blood. They drank wine pretending to be the blood of their sacrifical lamb, they ate bread pretending to be the flesh of their idol, but pretence was not satisfying them like actual blood and flesh. They are now determined to direct their anger away from Jews to Arabs. Sucking the blood from Jews is no more feasable since Jews have cleverly taken the top seats almost everywhere. For its unending apetite to suck more semitic blood, this dangerously mutated strand signed a contract with a newly mutated blood-sucking strand of Children of Israil.

Sure, on the other hand, there are many peacemaking Christians who follow the teaching of Jesus in this regard (Matthew 5:9), such as Jehovah Witnesses and Quakers, who have consistently and bravely opposed aggression and unjustified wars. Similarly, among the Jews too there are many peaceful people bravely condemning Israel's fascist policy. Nevertheless, the Old Testament, which is accepted by most Christians as verbatim word of God, is filled with horrific and racist instructions to commit terror, massacres and genocide that cannot be attributed to a Caring and Merciful Lord of all people. It is a great wonder that those Christians and Jews, who take this and few other Quranic verses out of their context in the hopes of misrepresenting the peaceful message of islam, do not see the sword in their own bloody eyes. I do not think that any contextual argument would be able to transform the following blood-sucking beasts to the knights of peace:

Quote:
And they utterly destroyed all that was in the city, both man and woman, young and old, and ox, and sheep, and ass, with the edge of the sword. (Jos 6:21).

Quote:
And Judah went up; and the LORD delivered the Canaanites and the Perizzites into their hand: and they slew of them in Bezek ten thousand men. And they found Adonibezek in Bezek: and they fought against him, and they slew the Canaanites and the Perizzites. But Adonibezek fled; and they pursued after him, and caught him, and cut off his thumbs and his great toes. And Adonibezek said, Threescore and ten kings, having their thumbs and their great toes cut off, gathered their meat under my table: as I have done, so God hath requited me. And they brought him to Jerusalem, and there he died. Now the children of Judah had fought against Jerusalem, and had taken it, and smitten it with the edge of the sword, and set the city on fire. And afterward the children of Judah went down to fight against the Canaanites, that dwelt in the mountain, and in the south, and in the valley. And Judah went against the Canaanites that dwelt in Hebron: (now the name of Hebron before was Kirjatharba:) and they slew Sheshai, and Ahiman, and Talmai.And from

thence he went against the inhabitants of Debir: and the name of Debir before was Kirjathsepher: And Caleb said, He that smiteth Kirjathsepher, and taketh it, to him will I give Achsah my daughter to wife. (Jg 1:4-12).|

Quote:
And the haft also went in after the blade; and the fat closed upon the blade, so that he could not draw the dagger out of his belly; and the dirt came out… And they slew of Moab at that time about ten thousand men, all lusty, and all men of valour; and there escaped not a man. (Jg 3:22,29)

Quote:
Then I shall make the heavens shudder, and the earth will be shaken to its foundations at the wrath of the Lord of Hosts, on the day of blazing anger. Like a gazelle pursued by a hunter or like a flock with no shepherd to round it up, every man will head back to his own people, each one will flee to his own land. All who are found will fall by the sword, all who are taken will be thrust through; their babies will be battered to death before their eyes, their houses looted and their wives raped (Isaiah 13:13-15).

Quote:
Now go and smite Amalek, and utterly destroy all that they have, and spare them not; but slay both man and woman, infant and suckling, ox and sheep, camel and ass. (1Sa 15:3).

Quote:
But the LORD is the true God, he is the living God, and an everlasting king: at his wrath the earth shall tremble, and the nations shall not be able to abide his indignation. (Jer 10:10).

Quote:
Why do the wicked prosper and the treacherous all live at ease?... But you know me, Lord, you see me; you test my devotion to you. Drag them away like sheep to the shambles; set them apart for the day of slaughter (Jer 12:1-3).

Quote:
Then shalt thou say unto them, Thus saith the LORD, Behold, I will fill all the inhabitants of this land, even the kings that sit upon David's throne, and the priests, and the prophets, and all the inhabitants of Jerusalem, with drunkenness. And I will dash them one against another, even the fathers and the sons together, saith the LORD: I will not pity, nor spare, nor have mercy, but destroy them. (Jer 13:13-15)

Quote:
They shall die of grievous deaths; they shall not be lamented; neither shall they be buried; but they shall be as dung upon the face of the earth: and they shall be consumed by the sword, and by famine; and their carcases shall be meat for the fowls of heaven, and for the beasts of the earth. (Jer 16:4).

Quote:
A curse on all who are slack in doing the Lord's work! A curse on all who withhold their swords from bloodshed! (Jeremiah 48:10)

Quote:
The LORD hath brought forth our righteousness: come, and let us declare in Zion the work of the LORD our God. Make bright the arrows; gather the shields: the LORD hath raised up the spirit of the kings of the Medes: for his device is against Babylon, to destroy it; because it is the vengeance of the LORD, the vengeance of his temple. Set up the standard upon the walls of Babylon, make the watch strong, set up the watchmen,

prepare the ambushes: for the LORD hath both devised and done that which he spake against the inhabitants of Babylon.O thou that dwellest upon many waters, abundant in treasures, thine end is come, and the measure of thy covetousness. The LORD of hosts hath sworn by himself, saying, Surely I will fill thee with men, as with caterpillers; and they shall lift up a shout against thee. He hath made the earth by his power, he hath established the world by his wisdom, and hath stretched out the heaven by his understanding. When he uttereth his voice, there is a multitude of waters in the heavens; and he causeth the vapours to ascend from the ends of the earth: he maketh lightnings with rain, and bringeth forth the wind out of his treasures. Every man is brutish by his knowledge; every founder is confounded by the graven image: for his molten image is falsehood, and there is no breath in them. They are vanity, the work of errors: in the time of their visitation they shall perish. The portion of Jacob is not like them; for he is the former of all things: and Israel is the rod of his inheritance: the LORD of hosts is his name. Thou art my battle axe and weapons of war: for with thee will I break in pieces the nations, and with thee will I destroy kingdoms; And with thee will I break in pieces the horse and his rider; and with thee will I break in pieces the chariot and his rider; With thee also will I break in pieces man and woman; and with thee will I break in pieces old and young; and with thee will I break in pieces the young man and the maid; I will also break in pieces with thee the shepherd and his flock; and with thee will I break in pieces the husbandman and his yoke of oxen; and with thee will I break in pieces captains and rulers. And I will render unto Babylon and to all the inhabitants of Chaldea all their evil that they have done in Zion in your sight, saith the LORD. (Jer 51:10-24)|

Quote:
And to the others he said in mine hearing, Go ye after him through the city, and smite: let not your eye spare, neither have ye pity: Slay utterly old and young, both maids, and little children, and women: but come not near any man upon whom is the mark; and begin at my sanctuary. Then they began at the ancient men which were before the house. (Eze 9:5-6).

Quote:
And I will set my jealousy against thee, and they shall deal furiously with thee: they shall take away thy nose and thine ears; and thy remnant shall fall by the sword: they shall take thy sons and thy daughters; and thy residue shall be devoured by the fire. (Eze 23:25).

| |

|---|
|**Quote:**|
|Therefore he brought upon them the king of the Chaldees, who slew their young men with the sword in the house of their sanctuary, and had no compassion upon young man or maiden, old man, or him that stooped for age: he gave them all into his hand. (2Ch 36:17).|

Quote:
Let the high praises of God be in their mouth, and a twoedged sword in their hand; To execute vengeance upon the heathen, and punishments upon the people; To bind their kings with chains, and their nobles with fetters of iron; To execute upon them the judgment written: this honour have all his saints. Praise ye the LORD. (Ps 149:6-9)

Quote:
Therefore wait ye upon me, saith the LORD, until the day that I rise up to the prey: for my determination is to gather the nations, that I may assemble the kingdoms, to pour upon them mine indignation, even all my fierce anger: for all the earth shall be devoured with the fire of my jealousy. (Zep 3:8)

Despite their bloody and horrific holy teachings, and despite their practice of colonialism, slavery, discrimination, occupations, destructions, covert operations, productions of weapons of mass destruction, making great profits from production and sales of weapons, plunder of natural resources of earth, terrorizing nations, and massacring poor populations, Modern Crusaders and their allies are successful in portraying one billion Muslims as terrorists and themselves as people of peace and freedom!

Terrorists to the Power of 666!

Why terrorizing an entire nation, destroying their cities, killing, torturing, raping and sadomizing their children and youth in the name of "democracy and liberty" should be treated lightly? Why killing tens of thousands of civilians should be forgiven if the murderers, who are also proven congenial liars, use the magic word "collateral damage?" Why smashing the brains of children with bombs or severing their legs and arms should be considered civilized and treated differently than beheadings? Why destroying an entire neighborhood or city and massacring its population by a push of button from the sky should not be considered equally or more evil than the individual suicide bomber blowing himself or herself among his powerful enemies who snuffed out all their hope? Why surviving to push another button to kill more people should be considered a civilized

action not the action of those who gave their own lives while doing the killing? How the smile of a well-fed and well-armed mass murderer be deemed more sympathetic than the pain and anger of a poor person? How can one honestly call an occupying foreign military force to be freedom fighters? How can one call the native population to be terrorists just because they are fighting against an arrogant and lethal occupation army which was mobilized against them through lies and deception? Why the children of poor Americans are used to kill the children of poor countries?

We should not favor one criminal over another because of their religion or nationality. However, state terrorism, regardless of the nationality and religion of the population, is much more cruel, dangerous, and sinister than the group or individual terrorism. In our stand against war, violence, and terrorism we must be consistent and fair. Peacemakers and promoters must also PROTEST and CONDEMN the atrocities conducted by the Evangelical-Zionist coalition in Chechnya, Iraq, Palestine, etc., as they condemn the atrocities committed by Sunni or Shiite radicals in Afghanistan, Sudan, Saudi Arabia, etc.

So, if Muslims are called terrorists because they killed several thousand civilian people in last decade, Christians and Jews must be called "terrorists to the power of 666" since they killed hundreds of thousands in Hiroshima, Nagasaki, Vietnam, and just recently they killed tens of thousands civilians in Iraqi, and wounded even more.
